

GROW FOOD PARTY CREW

Presents:

We will be partying, planting veggie beds and carving out food forest edges for a radical new community resource called "FOOD IN THE HOOD" – a backyard CSA and Co-op for local resilience and global solidarity.

Bring HAND TOOLS: shovels, rakes & wheel barrows, guitars, drums, & vocal chords!

RSVP to GrowFoodPartyCrewSC@gmail.com and let us know how many friends you're bringing.
